
Weekly Advisory Team Update

Rallying Around Our Faith

It is a meaningful season at UNITY as we come together to celebrate and rally around our faith:

- **Faith formation is renewing** — Sunday School starts, choirs gather, young people are confirmed, and Bibles are placed in the hands of children growing in faith.
- **Our shared ministry continues** — Volunteers are faithfully caring for our properties, budget, and programs so UNITY can remain a place to connect, grow, and experience God's blessings.
- **We continue to support our partners** — In Rutilio Grande, the aging water system remains a concern after the pump broke during a severe dry season and the community rationed water. The pump has been repaired. We remain in contact, hold them in prayer, and look forward to celebrating our 25-year El Salvador partnership in October.
- **We give thanks for Lynn Key's ministry** — As Lynn winds down her time as full-time staff, we celebrate her faithful gifts of music and administration. We are grateful her gifts will continue to bless UNITY through music and deep love for this congregation.

As this new season begins, the Council and Advisory Team invite you to ask: **How will you rally around UNITY and our shared faith?**

If you have questions or thoughts to share, please reach out to an Advisory Team member:
