**1. Were you busy ... did you have some time for quiet?** Tell us about one active thing you did this past week and how it went and tell us about any quiet time to yourself? Attach a picture from your phone if you have one! Which do you like better?

**2. What is going on in worship:** The Call to Worship and Prayer of the Day are different each week, and set the theme for the day. Based on that, what do you think was the theme for worship today?

**3. Wasn't that a nice lead in?** Now that you've thought about the theme for the day, thinking about the sermon might be a little easier. In two or three sentences, tell us about the sermon...What was the main point? Give an example or story from it.

**4. People watch:** Look around at sanctuary you are in for the service. What features of the space do you like? How does the space make it easier (or harder) to focus on God?

**5. SERVICE:** Serving others is an important part of living a life that follows Jesus and it's an expectation of this program. If you have participated in a service opportunity this past week, share about your experience.
