Fill in your comments to ALL the questions below. Give your thoughts and dig a little deeper and go beyond the obvious. USE THE BACK SIDE IF YOU NEED MORE SPACE. Drop in the tray in the Narthex or bring to class.

1. Were you busy ... did you have some time for quiet? Tell us about one active thing you did this past week and how it went and tell us about any quiet time to yourself? What did you think about?

2. What is going on in worship: The Call to Worship and Prayer of the Day are different each week, and set the theme for the day. Based on that, what do you think was the theme for worship today?

3. Wasn't that a nice lead in? Now that you've thought about the theme for the day, thinking about the sermon might be a little easier. In two or three sentences, tell us about the sermon... What was the main point? Give an example or story from it. Explain a part of it that was meaningful to you.

4. Experience makes a difference: In worship you participated in an experience with other people – especially during the greeting and communion. Tell about something you heard-saw-felt and how it might affect the way you act this week.

5. SERVICE: Serving others is an important part of living a life that follows Jesus and it's an expectation of this program. If you have participated in a service opportunity this past week, share about your experience. Where you were, what you did and a few words on how you felt about it.
